The Heart Behind the Bar

At The Heart, drinks are more than just something to order - they're about quality, taste and bringing people together. Our menu blends classic favourites with modern ideas, with every cocktail, wine and spirit chosen for a reason.

The bar team focus on quality products, ingredients with real character and a balance of uniqueness and tradition in everything they create. We believe great drinks come from great ingredients and genuine passion.

We're also proud to showcase Western Australian produce and winemaking, highlighting local ingredients and wines that reflect the best of our state. This menu is the result of experience, tasting, learning, refining and exploring by our team, all with the goal of creating something memorable every single time.

Because a great drink should do more than taste good. It should leave an impression.
